Health and Safety – LPG Safe Carriage

Course Code: CTO24

This course meets all your responsibilities as an employer, to give those of your staff who transport and store LPG gas, ‘adequate training’ under ADR regulations. It covers everything required from company policy to legal requirements and legislation.

Who is it for?

- People who are required to transport and store LPG as part of their work e.g. Roofers
- Company Directors
- Managers and Supervisors
- Course is ideally coupled with other related training such as Manual Handling

Course at a glance

- Safe transport and storage of LPG
- ADR compliant
- Legal review
- Course assessment and review
